

Lake Routing Gets Approval; Start Awaiting Money

The California Highway Commission has adopted a freeway routing of the scenic parkway type for six miles of State Sign Route 89 in the Meeks Bay area of Lake Tahoe in El Dorado County.

The adopted route, referred to as the "A, A1, A2, A" alternate at second public hearing held by the division of highways at Meeks Bay on June 25, will extend from one-half mile north of D. L. Bliss State Park to the El Dorado-Placer County line, where it will connect with a freeway routing to the north adopted by the commission in March. An earlier public hearing at Meeks Bay on September 20, 1962, produced additional suggested routes which were discussed at the second hearing.

The "A, A1, A2, A" alternate was endorsed by the El Dorado County Board of Supervisors and recommended by State Highway Engineer J. C. Womack. It generally follows the existing highway from north of the state park to the vicinity of Meeks Bay, where it swings slightly west, away from the lake. Just north of Meeks Bay it swings farther to the west to avoid existing and proposed home developments.

Womack said that the scenic parkway-type facility will have a screen of natural vegetation between the highway and adjacent homes and will provide attractive views to the motorist where feasible.

"The routing starts a half-mile north of the D. L. Bliss State Park," he added, "so as not to prejudice the selection of the ultimate location of a routing to the south near Emerald Bay."

The estimated cost of the project is \$8,010,000. The start of construction will depend upon the availability of future highway funds.

Six Car Accidents Reported In Area

Snow and slippery roads were blamed for six motor vehicle accidents during the past week. Two people were hospitalized, one with major injuries.

Three young people escaped injury, but their car was demolished when it was struck by an east-bound freight train at Boca at 2 a. m. Saturday. The driver, Donald D. Smith, 20, told the California Highway Patrol he had turned off the freeway onto the Boca road to make a turn.

The car stalled on the railroad crossing when he backed into a snow bank. They attempted to flag the train, he said, but to no avail. The driver and his companions, Susanne Fernandez, 20, and Tony Erickson, 20, were out of the vehicle, a 1959 Chevrolet coupe, when it was hit.

They came to Truckee on a west-bound freight train to report the mishap and get transportation to Reno.

ADULT ART CLASSES TO MEET AT SCHOOL

KINGS BEACH—The adult arts and crafts group, consisting of 25 members, has chosen the Kings Beach elementary school as the permanent meeting place for the future. This group will meet every Tuesday night from 7 until 10 p. m. in Room 3 (Mrs. Wing's classroom).

Since the group was organized over a year ago, the weekly meetings were held in private homes.

Special lessons will be given in broken glass mosaics, knitting, tin can crafts, macaroni art, tissue paper crafts, oil and water painting, beeswax candle making and many other useful arts and crafts. Anyone interested may join the group.

ALLAN WESTS WILL MOVE TO NEW HOME

SODA SPRINGS—Mr. and Mrs. Allan West and their children left Soda Springs yesterday for the vicinity above Lee Vining where West has been transferred to the administrative department of the U. S. Forest Service.

West has been active for several years at the snow lab on Donner Summit and in the future the authority will be based at Berkeley.

The family's departure is regretted but their friends and neighbors wish them happiness in their new location.

KUMLE OVERSEAS

The Gilbert Kumles received word that their son, Martie has finished basic training at U. S. Naval Base at San Diego, has been attached to a large carrier, joining his ship overseas by airplane. Next fall the new navy man will enter a specialized school.

Huge Gain Shown At Hospital Here For Past 5 Months

During the five months ended January 1, the Tahoe Forest Hospital treated 2,891 patients for an occupancy percentage of 73, far above the state average, according to records kept by Administrator J. J. McGlade.

Of the total 1,576 were emergencies and 1,315 in-patients.

There was a 54 per cent occupancy for the same five months during 1962, indicating the rapid growth of the hospital requirements, the records reveal.

The average occupancy per month during the last five months of 1963 was 578, with 315 of these being emergency cases and 263 in-patients.

August was the heaviest month in the period, McGlade explained, there were 508 emergencies, 344 in-patients for a total of 852 for a percentage of 84 compared to August of 1962 when there was a percentage of 72.

October was the lowest month with 64 per cent occupancy in 1963 and 45 per cent in 1962. Each month showed a fantastic increase, pointing up the urgent need for the proposed expansion, McGlade declared.

Marauders Lead In Hoop League

Marier's Marauders of Tahoe City took over undisputed possession of first place in the Tahoe Truckee City Basketball League Tuesday night with a 51 to 47 win over Donaldson's Cafe.

Marier's now lead the league with a record of 7 wins and one defeat. Donaldson had to play without the services of four members of their team and played the entire ball game with only five men. Craig Robinson led all scorers with 18. Russ Wickwire of Marier's had 16 and Rex Donaldson had 13.

In the first game, the Sierra Raiders lost a 92 to 51 ball game to McClellans Boys of Tahoe City. The Raiders played with only three men. Bill McClellans had 30 points for the victors and Art Carroll had 26. For the Raiders, Kenny Robinson had 28 and John Firpo, 21. It was the first win for McClellans. Tonight two games are on tap. In the 7:30 contest, Cozzis meets McClellans followed by the Donaldson Cafe-Sierra Raider game.

Russ Wickwire is the league's leading scorer, averaging slightly over 23 points per game. Craig Robinson is averaging 18 plus, and Rex Donaldson and John Firpo have 17 plus average.

FOUR BABIES BORN IN HOSPITAL HERE

Four babies were born at the Tahoe Forest Hospital during the past week, two of them from Reno. Michael Allen Fisher, son of Mr. and Mrs. Joseph P. Fisher of Reno arrived January 22, weighing seven pounds, 14½ ounces.

On January 24, Edward Andrew Bradley, seven pounds, 9¼ ounces, was born to Mr. and Mrs. Charles E. Bradley of Reno.

Mr. and Mrs. Guadalupe Jimenez of Truckee are parents of Olga V., seven pounds, 15½ ounces, who arrived January 25.

Mr. and Mrs. Frank Kolodziej of Tahoe City welcomed James Francis, seven pounds, 9½ ounces, born January 26.

BURGLARY CHARGE DROPPED BY COURT

AUBURN—A burglary charge against Walter S. Phillips, accused of trying to steal three cartons of cigarettes from a chain store at Tahoe City was dismissed last week by Judge Ronald G. Cameron.

Two weeks ago Phillips pleaded guilty to a petty theft charge and was sentenced to serve five months in the county jail.

License to Wed

Paul McElroy, 34, of Reno, and Jeanne Davis, 23 of Crystal Bay, were issued a marriage license in Nevada.

Welch Will Enter Assembly Race In Primary Election

Harold M. (Hal) Welch

Harold M. (Hal) Welch, Donner Lake businessman and active in Nevada County politics for the past ten years, has announced he will be a candidate for the state assembly from the Sixth District on the Republican slate.

A vacancy exists in the assembly due to the appointment of Paul J. Lunardi of Roseville to the state senate, following the resignation of Ronald J. Cameron of Auburn, who was appointed Superior Judge in Placer County.

Welch has been active in civic affairs, having served as president of the Truckee-Donner Chamber of Commerce and was awarded the "Outstanding Citizens Award" in 1956. He is a member and former president of the board of trustees of Sierra Junior College at Rocklin and a former active member in the Nevada County Republican Central Committee.

The candidate is manager of Donner Lake Lodge, is married and the father of two sons. A native of California, Welch was educated in California and Washington state schools. He is a veteran of (Continued on Page 4)

License Renewals Will End Tuesday

Renewal of registration for motor vehicles has fallen behind the pace set a year ago and motorists are warned that the final day for registration without penalty is Tuesday, February 4.

Richard Paddock, in charge of the Truckee office of the department of motor vehicles, said problems here are not as great as in concentrated areas where smog control device certificates under the 1963 statutes are now in force, causing some delay.

"Most California motorists are undoubtedly planning to visit the department's offices and temporary renewal stations in the metropolitan area banks before the deadline of February 4," Tom Bright, DMV director said. "The predictable result, however, is crowded facilities and considerable waiting in line for the 1964 license plate stickers during the last penalty-free days."

OBLIGATION NIGHT PLANNED BY LODGE

Truckee Chapter No. 116, Order of the Eastern Star, will meet Tuesday, February 4 at 8 p. m. to observe Obligation Night. Phyllis Snyder, worthy matron and Frank Snyder, worthy patron, will preside over the initiation ceremonies.

A potluck supper at 6:30 p. m. will precede the meeting with Mildred Johnson and her committee in charge.

WOMEN SKIERS WILL COMPETE FOR SIERRA

Sierra College's women's ski team is in practice for its big meet of the year, the University of Nevada Winter Carnival, February 14, 15 and 16, with five coeds planning to enter the powder puff slalom.

The skiers include Lyn Giovannoni of Truckee, Arlene Johnson of Applegate, Ginni Holman of Sonora, Jean Spitsen of Tahoe City and Jann Fischer of Los Altos.

At East Bay

Mr. and Mrs. R. E. Hartsten returned from a business trip in the east bay vicinity.

No official nickname has ever been adopted by California.

South Tahoe Will Meet Wolverines In Friday's Games

The traditional rivals, the South Tahoe Vikings and the Tahoe Truckee Wolverines, will meet on the Truckee basketball court Friday evening in what promises to be the outstanding game of the current season.

The Junior Varsity contest is slated for 6:30 and the Varsity game will follow immediately.

Last Saturday, the Wolverines scored a victory over Del Oro, 50 to 45 at Loomis. The half time score was 27 to 25 in the Wolverines favor.

Butch Smith scored 11 points for the winners with Kary Kiehofer a close second with 10, Mike Kehoe had nine, Luis Mintiqui, eight, Steve Besio, seven and Ron Baker, five.

The scrappy Wolverine JV's had a bad night and the taller Del Oros won 63 to 37.

Resorts Happy As Heavy Snow Falls

Winter resorts were crowded to capacity during the last weekend as the major January storm, which deposited up to 150 inches of snow in some areas, continued east to be followed by clear, brisk weather.

State and county crews were working around the clock during and immediately after the storm to keep roads as clear as possible and have apparently won the battle although still cleaning up isolated spots.

The U. S. Forest Service reported that during the month of January 65 inches of snow fell in Truckee and precipitation for the month was 5.65 inches compared to a normal for the period of 5.98 inches.

The total precipitation for the close of this month for the season was 16.19 inches and the normal is 17.77.

There were 36 inches of snow left on the ground yesterday, the 57 inches which fell during the storm having settled.

The temperature dropped to a chilly seven degrees above zero Tuesday morning, but bright sunshine predominated. A high of 42 was recorded Sunday.

Lake Level
The level of Lake Tahoe Tuesday stood at 6,226.08, a slight drop from last week, but much higher than the 6,223.49 on the same date a year ago. The temperature dropped to a plus 20 Tuesday and there were 38 inches of snow on the ground at Tahoe City, Daryl DeWalt, observer at the gates, reported.

ORDINANCE PROVIDES FOR UTILITY'S LOAN

The board of directors of the Truckee Public Utility District Tuesday adopted an ordinance which will permit the district to enter into a contract with the government for a loan of \$367,000 from the rural electrification administration to extend and modernize the local electric system.

The loan is repayable over a period of 35 years at a two per cent interest, the payment and interest to be made only as the funds are used. General obligation bonds will be issued to cover the loan.

It is estimated that more than 180 new customers will be served by the proposed extension. A new substation will be erected and the service improved by increased voltage, Manager Francis Longo explained.

SECOND IN SERIES OF DISCUSSIONS MONDAY

The Youth Ministry of the United Church of Christ at Squaw Valley will sponsor the second in the series of "The Facts of Life and Love," with Dr. Gardiner Pier discussing with the group of high school aged young people "The Physical Implications of Dating and Sex in the converse room of the church at 7:30 p. m. Delay On Emerald Bay Planning Is Halting Progress

By Henry MacArthur
SACRAMENTO — (CNS) — The amount of foot-dragging on the part of the administration in the case of a proposed safe, all year highway on the west shore of Lake Tahoe amounts virtually to a public scandal.

Almost five years has elapsed since the state highway commission came forth with plans for a new road with provision for bridging the mouth of Emerald Bay. This would have resulted in the construction of a low-level road at the lake, which could easily have been kept open the year-round and which would have eliminated the dangerous curved and slide-ridden area now in use above the bay.

But immediately, opposition arose from people who use the road only occasionally, and the cry arose that a safe and usable highway should not be allowed to desecrate hallowed ground, particularly the state parks in the area, which the road would cross.

Pulls In Horns
Thwarted in its attempt to give some service to the public, and particularly that portion of the public residing and doing business the year-round at Lake Tahoe, the highway commission pulled in its horns and awaited developments. There have been no developments of note. True, the highway commission has surveyed and adopted a freeway north of the disputed territory, after much discussion and argument on the part of property owners in that part. (Continued on Page 5)

Democrats Lead In Registrations

At the first of the year there were almost twice as many registered democrats as there were republicans in Placer County, but the score was much closer in Nevada County where there were 5,325 democrats and 4,853 republicans.

Placer County showed 15,636 democrats and 8,942 republicans registered. In Sierra County there were 740 democrats and 523 republicans.

Voter registration in California on January 1 was 6,359,668, a gain of 405,022 from a year ago but still considerably below the record of 7,531,211 before the November, 1962 election.

In announcing the registration figures, Secretary of State Frank M. Jordan said there were 3,576,011 democrats (65.22 per cent) and 2,597,739 republicans (40.84 per cent).

As had been predicted, the prohibition party failed to come up with 1/15 of 1 per cent of the registered voters in the state and will be stricken from the ballot.

DONNER HOME OWNER EXPIRES AT VALLEJO

Mr. Leone Krohn received a telephone call telling of the sudden death of John A. (Jack) Edwards on January 24 at his home at Vallejo.

Edwards, who was 76 years of age and retired from business had been active for more than ten years as a summer resident, with his family at Donner Lake and took part in the Donner Lake Property Owners Association.

His survivors are his wife, Anne, a daughter Mrs. William Martin and two grandchildren, Richard and Sally Martin. Their local friends extend sympathy to the family.

Mr. and Mrs. Lee Van Wetter and children of Squaw Valley plan to leave Monday by plane for the Hawaiian Islands where they will enjoy a three weeks vacation in the sun. Van Wetter is a well known contractor in the valley.

ANOTHER BANK

SACRAMENTO — (CNS) — The state banking department announced it has received an application from the Wells Fargo Bank, San Francisco, to establish a branch somewhere on the north side of Lake Tahoe.

Bizz Johnson Will Seek Return To Congressional Seat

Congressman Harold T. Johnson

Congressman Harold T. (Bizz) Johnson, who has represented the Second Congressional District for three terms, announced his candidacy for re-election as a member of the House of Representatives.

The veteran legislator first was elected to congress in 1958 and since that time has become an experienced member of two important committees—Interior and Insular Affairs and Public Works—and of the House of Representatives itself.

"My more than 20 years of legislative experience in local, state and Federal government has proven of great value to me in carrying out my primary responsibility in life—that of representing the interests of the people living in the 19 counties which make up the Second Congressional District," Representative Johnson declared.

TRUCKEE DROPS TO THIRD POSITION AS TRAFFIC STILL HIGH

Truckee dropped into third place as a port of entry into California by motor vehicles during December, exceeded by Yermo and Winterhaven stations.

The monthly report from the department of agriculture shows that during December 78,039 cars, 4,565 trucks and 702 buses, with a total of 189,754 passengers were checked through the local quarantine station.

This was 35,142 cars less than were checked during November, but was 12,365 more than in December, 1963.

SACRAMENTO — (CNS) — A total of 1,672,826 persons in 605,330 automobiles and 4,538 buses passed the border quarantine stations of the state department of agriculture during December.

The department said this compared with 1,524,988 persons in 538,195 autos and 5,493 buses in December of 1962.

Of the automobiles passing the 17 stations which were operating in December, 376,856 were registered in California and 228,474 were from out of state.

JOHNSON LEAVES TO ATTEND OLYMPICS

WASHINGTON, D. C.—Congressman Harold T. (Bizz) Johnson of the second, mountain-valley counties, district has left for Innsbruck, Austria, where he will represent Governor Edmund G. Brown at ceremonies opening the Ninth Winter Olympic Games.

At the opening ceremonies, Representative Johnson will present to the mayor of Innsbruck the official Olympic Games Flag which will fly during the games held in Austria.

Congressman Johnson, whose district includes Squaw Valley which was the location of the last Winter Olympic in 1960, received the flag from the Mayor of Cortina, Italy, as those games opened in the Sierra ski country.

The Placer County personnel department has called an examination for filing and the date of the examination will be announced.

Slayer Of Carlson Gets Life Term As 2 Are Sentenced

The confessed killer of Glenn W. Carlson, 33, Roger M. Mealman, 29, Marysville, Tuesday was sentenced to life imprisonment by Superior Judge Vernon Stoll of Nevada County, receiving the same sentence meted out to his two companions in the crime, Robert L. Burns and Clifford Toyen.

Burns, who was sentenced last week, has already been taken to the Vacaville Center and Mealman and Toyen were expected to be taken there this week.

District Attorney Harold Berliner said he requested the death penalty for Mealman, who, officers said admitted firing the shot which killed the young Truckee state highway patrol officer at Donner Lake on November 15. The court, Berliner added, declined to heed the recommendation.

"I feel that this man qualified for the death penalty primarily because the victim was a law enforcement officer," Berliner said. "I feel that society should give these men as much protection as they give society."

Stoll replied that if he believed the death penalty would protect policemen he would have sentenced Mealman to death.

Mealman and Burns were arrested in Sacramento shortly after the murder as they stepped from a chartered plane which took them to the capital city from Reno. Toyen was nabbed in his room at the Truckee Hotel by sheriff's deputies. All admitted their part in the slaying but agreed that Mealman did the actual shooting.

The three, who were stopped by Patrolman Carlson for questioning regarding the license plate on their car, were accused of having robbed a bank in Sacramento a short time before. The \$44,000 taken in the robbery was found in their possession, officers said.

All three are ex-convicts, having served time in the Oregon prison at Salem.

Carlson left his wife and three young children. The latter have been the recipients of donations of over \$3,300 together with materials and labor for the home they were building when Carlson was shot down in cold blood.

Brockway Theater Opens At Beach

KINGS BEACH—Mr. and Mrs. William Tamblin are reopening their Brockway Theater at Kings Beach tonight, with one show each night on Thursday and Friday and Saturday and Sunday, starting at 7:30 p. m.

Scheduled this week are Palm Springs Weekend, starring Troy Donahue and Connie Stevens, on Thursday and Friday, with The Caretakers, booked for Saturday and Sunday.

The show has been closed since before the holidays while the Tamblins took a much deserved vacation. Among the highlights of their trip south was a visit to Disneyland and the Marine Gardens.

STUDY OF ROAD AT TAHOE REQUESTED

AUBURN—The board of supervisors has requested the state division of highways to make a detailed study to determine if two or four lanes is required around the Placer County section of Lake Tahoe.

The board requested the survey after residents of the area indicated they were opposed to a four lane freeway on the west side of the lake, and favored a two lane freeway.

The supervisors, on the recommendation of Planning Director Justin F. Barber, suggested the state conduct a comprehensive survey to determine what is needed.

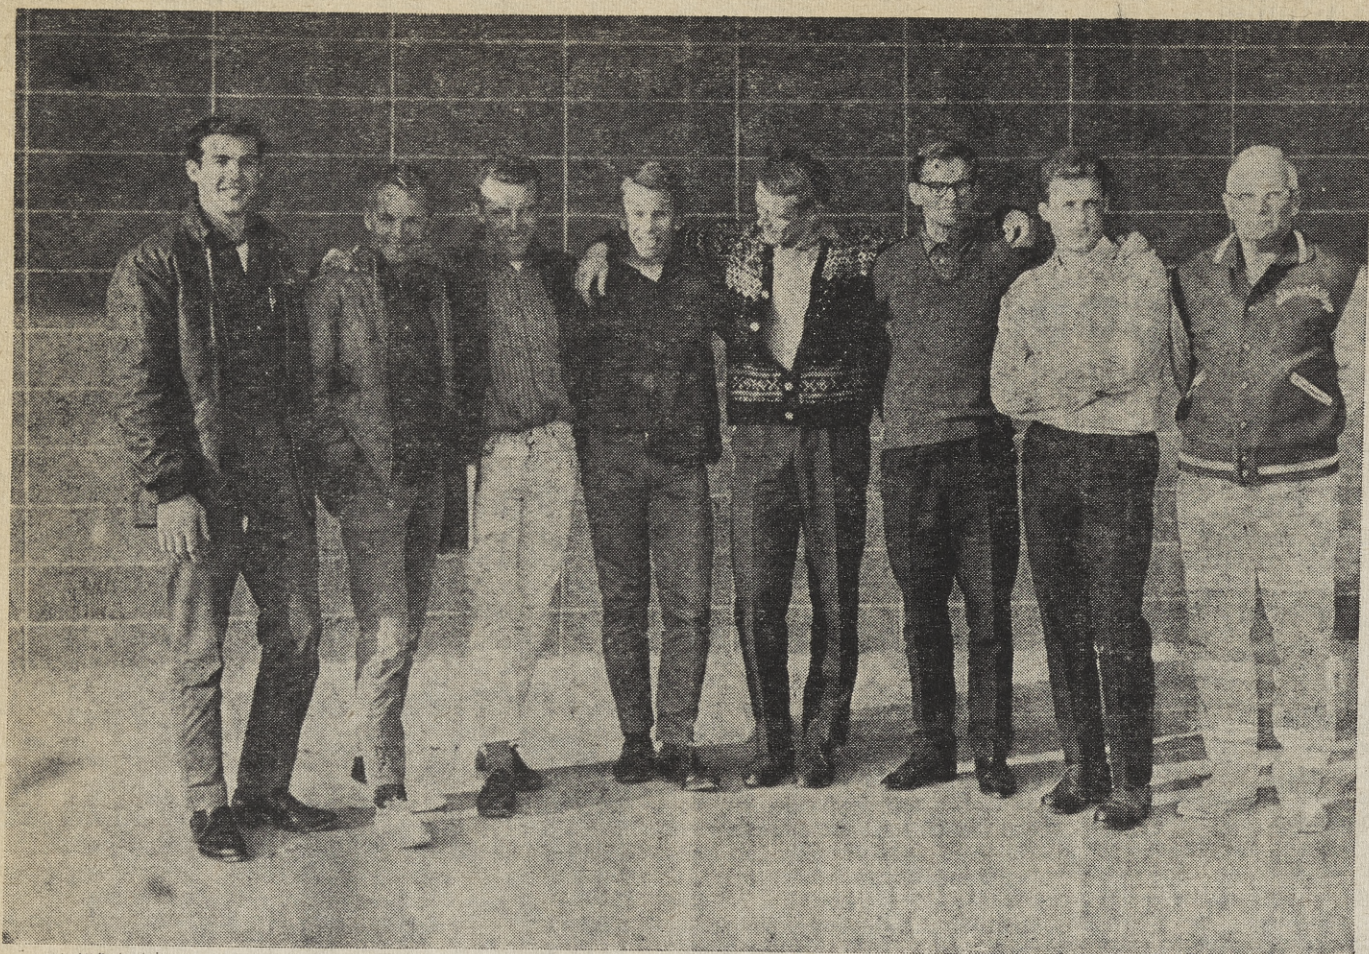

LAKE WSCS MEETING ON FEBRUARY 5TH

KINGS BEACH — The monthly meeting of the WSCS of the Methodist Community Church will be held at the home of Mrs. Egan at the top of Brockway Hill February 5 at noon. Letter to the Editor

Hunters, Ranchers, Highway Patrolmen, Tahoe-Truckee Area Dear Friends:

The California State Elks Veterans Service Commission wishes to express its appreciation, and the appreciation of California's hospitalized veterans for the 20-odd deer hides donated and brought in by you to considerably increase the Auburn Elks shipment. A letter was also sent to the Placer County Sheriff and the California Division of Forestry as we knew many hunters and ranchers in this area do not realize that veterans very much need these materials to kill the long hours in a constructive way.

At Elks expense we process the hides and ship to all 178 veteran and service hospitals some \$400,000 worth of finished leather each year—a project nationally for the Elks cigarette money and fine products result.

But it is only when friendly hunters or ranchers donate these hides, and then have fine transportation system to bring them in—the highway patrol's part in the deal was most important, of course.

We hope that many others will hear of this Elks Hides for Veterans program and will help make it even bigger next year. The Eureka, California Veterans and Elks together worked up to 1,635

hides in 1961. We probably have about as many ranches and hunters as that area.

Thanks again to each and every one who helped.

Sincerely,
James R. Wall, Jr., Auburn
Chairman
Elks Veterans Service
Committee

Jim McCourry of Incline Village was called to Holdenville, Oklahoma, last week when his father,

James A. McCourry, Sr. died after a long illness. Our sympathy is extended to Jim.

Marlene McCourry's daughter, Valerie, has been confined to home with chicken pox. Let's hope the rest of the family escapes it.

Mrs. A. M. Anderson of Tahoe City, mother of Jack and Kathleen Starratt, has been hospitalized at Tahoe Forest Hospital in Truckee.

The Tahoe Coin Club met at the home of Alfonso de Luque at Tahoe Vista on Monday night. Coin collections and information on their collection was discussed, and refreshments served at the close of the meeting.

Tom and Theresa Sutton of Kings Beach returned home from Tepia Hot Springs just in time for the 'snow storm'. Had a marvelous week at the Springs and would have stayed longer but Tom had to return to business.

Christmas card was received from Bern May who is on a round the world tour. The card was sent from Singapore and has taken since November 30 to arrive. Understand that Bern met Maxine Polsen some place along the way—Italy—for a short chat. Bern is having a wonderful trip, taking in

all the sights and missing nothing, even to riding camels and elephants.

Chery Critchley of Tahoe Vista left for Arts and Crafts School in Oakland this past weekend.

Congratulations to Joe and Jackie Fisher, former Kings Beach residents who are now making their home in Reno, on the birth of a son Michael Allen January 22. Michael weighed six pounds, 14 ounces at birth and is the Fishers first child.

The January social gathering of the Royal Arch Masons, Donner Chapter No. 39, was held last Sunday evening at the Nevada Lodge. In spite of the storm nearly 30 Royal Arch Masons, wives and guests, attended the delicious buffet dinner and dancing to music provided by the Esquires.

This was an especially gala occasion for Armen and Georgia Abrahamian of Agate Bay, who also celebrated their 18th wedding anniversary.

The next monthly social gathering will be February 14, Valentine's Day, at the home of Robert Jenkins at Incline Village. All Royal Arch Masons take note.

Congratulations to Joe and Kathy Crow of Incline Village on the birth of a daughter on January 23 at St. Mary's Hospital in Reno. Rosalie Jean is the name given the new baby who join brothers and sisters, Mary, 11, Joey, 9, Larry, 6, Eileen, 2½ and Johnny, 1½.

Greg and Virginia Engelhard of Incline Village enjoyed a two week vacation in Hawaii away from the snow. The sojourn was to celebrate their 25th wedding anniversary which was December 28. Hawaii being where they met made the ideal place to observe the occasion.

Byron and William G. Meyers of Anaheim have returned home after a visit to Tahoe Vista to see brother, Charles, (Whip Wilson) who suffered a heart attack. Whip is still confined to St. Mary's Hospital in Reno but expects to be home in about ten days according to wife, Monica.

Helen Randall recently of Reno and Hollywood Hills is a new resident at Crystal Shores.

Bonnie Barnett who makes her winter home in Yucca Valley has been a house guest of Theresa Denton at Crystal Shores. Theresa and Bonnie plan to go to Yucca Valley out of the snow. Theresa will visit daughter Mildred Douglas and her grandsons at Torrance while away.

Ernie Caine of Incline Village accompanied children Bruce and Linda to San Francisco last week. Bruce entered the Shrine Hospital for a check up before returning home. Linda went on from San Francisco to Pasadena where she will attend college.

Henry Cherry who was with Cal-Neva Lodge these past three seasons is now representing the Sands Hotel in Las Vegas with reservation offices in San Francisco. He hopes to renew and have the same pleasant relationship enjoyed at Cal-Neva Lodge where he was a most genial host.

Sign regulation for the North Lake Tahoe area was discussed at the last chamber of commerce meeting. Fred Barber, director of the Placer County Planning Department, spoke on the subject and

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY
KINDERGARTEN—Mrs. Osborn: The room mothers of both the morning and afternoon classes arranged surprise birthday parties for Mrs. Osborn this week, and they were truly surprises. Mrs. Ray Wiser and Mrs. Jack Jones had charge of the morning class party. The afternoon party was arranged by Mrs. Ed Androus and Mrs. Harry Causey.

Two of our little girls moved away last week. Cindy Franks has gone to Tulare and Anna Russell has moved to Monterey.

SECOND GRADE—Mrs. Scott: We welcome Donald Brandel to our room. 100's in spelling were Cillford Anderson, David Baker, Sven Carlson, James Kenyon, Wes Merica, Mike Money, Kevin Pendergast, John Sandridge, Greg Wisenback, Cheryl Causey, Cindy Ferdinand, Celia Gini, Robbilou Sassarini, Elizabeth Wiser.

Outstanding social studies samples were brought in by Kevin Pendergast, Robin Sassarini, Sven Carlson, Hollida Hyers, Celia Gini,

BABETTE HAUSEISEN IS AUTHOR OF BOOK

Babette Hauseisen of Truckee and a ski instructor at Alpine Meadows, is the author of a new book, "How to Teach Your Child to Ski." The book reflects Miss Hauseisen's knack of teaching, plus her dedicated belief that "all children should learn to ski."

Miss Hauseisen is among the local fans who will witness the 1964 Olympic Winter Games at Innsbruck starting next week.

The mineral asbestos is believed to have formed some 350 million years ago.

Cindy Ferdinand, Cheryl Causey and Clifford Owen Anderson.

FOURTH AND FIFTH GRADE—Mrs. Miles: Maps of California showing early missions were completed by our 4th grade.

Excellent work was done by Ida Reichlin and Sheri Sassarini.

John Laugenour, Carol Bunt, Denise Clepper, Sharon Eckerman, Linda Free, Katie Funk and Holley Schooley also had very good maps.

In our 5th grade arithmetic test Jim Baker, Susan Kenyon and Joyce Smart received A's.

WELCH TO RUN

(Continued from Page 1)

World War II.

Formerly head of the Truckee Public Utility District, the candidate has a full knowledge of business administration. He was active in securing the Winter Olympic Games for California, a member of the Rotary Club and Clammers.

One of his principal aims in seeking the office is his interest in public schools.

"The State of California is lagging in its support of our public schools," Welch declared, "to a point where it is causing a hardship on the local property owner. If this situation is allowed to continue, the fine education being given our children today will deteriorate."

Other aims declared by Welch are state income tax reductions, conservation of natural resources with orderly development, preservation and proper use of the water, timber, minerals and recreation facilities.

He said that if elected he will strive to raise the price of gold to restore one of California's most vital resources.

More federal leases of public lands to promote development of private business in the district is still another aim prescribed.

On a local standpoint, Welch would encourage development of an adequate system for the Lake Tahoe basin, to eliminate possible contamination of lakes and streams.

A careful look at the agricultural problems, including the decline in pear production, grazing rights for the sheep and cattle men is promised.

Although active in local politics and civic affairs for many years, this is the first time Welch has entered a state contest but promises a clean, fair and progressive administration if chosen by the voters of the Sixth Assembly District.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

To Whom It May Concern:

Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows:

7220 Hwy. 28, Tahoe Vista

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license (or licenses) for these premises as follows:

FOR THE MAN WHO HAS EVERYTHING (well, almost)

Ever feel like getting away from it all and heading for the back country? It's the easiest thing in the world in a 'Jeep' Gladiator with a camper unit. Just pack up your gear for hunting, fishing, skiing, birdwatching, rock hunting or whatever your pleasure may be.

No need to worry about sleeping accommodations, either. They're right with you wherever you go to keep you snug, warm, dry and comfortable regardless of the weather.

And because it's attached to a 'Jeep' Gladiator, you can go wherever you like... places which might previously have been accessible only on foot or on horseback. The unit is removable, too. Whenever you require a workhorse of a pickup truck with a large bed and extra load carrying capacity, you have it.

Sound exciting? It is! It's available in either 2- or 4-wheel drive, in 7- or 8-foot length. Deluxe or standard. Why not see your 'Jeep' dealer today and have a look at the Gladiator with attached camper unit. Maybe you can become the man who has everything. (Well, almost.)

FIRE DANGERS ARE MORE FREQUENT

SACRAMENTO — (CNS) — Major forest fires are six to 100 times as great a threat today than they were 25 years ago and the only defense against them may be an expensive network of "fuel breaks" throughout the timber country.

These comments were included among those of government officials and industrial executives appearing recently at the 54th western forestry conference in San Francisco.

Keith Arnold, director of the division of forest protection research of the U. S. Forest Service, said the threat of conflagrations—the really big forest fires—is growing faster than the ability of fire control agencies to cope with them.

"We now have the capacity to lick all the problems of fire prevention and control except those dealing with conflagration threat," Arnold said. "On one day, April 4 of last year, 127 forest fires burned 185,000 acres in North Carolina. New Jersey last spring burned 195,960 acres or 9.3 per cent of the total acreage under protection."

STRONG EARNINGS BY BANK ARE REPORTED

Strong earnings and record highs in resources, deposits and loans marked Bank of America's 1963 year-end report. Deposits total \$13,242,505,625, an increase of \$1,146,540,558 over

the same date last year.

Total resources rose to \$14,693,851,459, an increase of \$1,276,710,650 over a year ago.

"In mobilizing these resources to serve credit needs of all kinds we made more than a million and a half loans to individuals and businesses during the year. At the year-end outstanding loans aggregated \$8,365,413,120, an increase of \$777,420,423 since a year ago," President Rudolph A. Peterson said in releasing the figures. Real estate loans made during the year, mostly residential, amounted to \$1

billion and outstandings are now over \$3 billion. Instalment loans made during 1963, largely for purchases of automobiles and household and business equipment, totaled \$4 billion.

Peterson reported that net operating earnings rose to \$90,508,

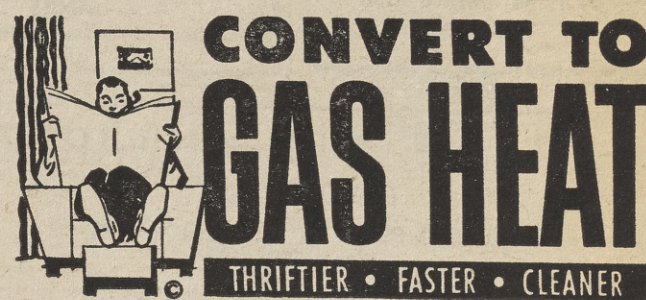

827, or \$3.18 per share on 28,480,000 shares outstanding. This compares with \$3,126,716 or \$2.92 per share earned during 1962. "The bank's internationally-based services continue to grow and contribute importantly to earnings," Peterson observed.

Everybody who wants a Skylark, please stand up.
Everybody who wants a Riviera, please stand up.

Now that everybody's standing, let's all go to the Buick Sports Car Rally.

Really.

It would be a shame to waste this chance to drive one of Buick's lively sport models, wouldn't it? Especially considering your Buick dealer's so close, and the price is so nice. That's what the Sports Car Rally is all about. And they're all luxurious enough to make you wonder why anybody'd

settle for a two-seater. A finely tuned production 340 hp Wildcat with a skilled driver scored the highest miles per gallon in the economy test of Class I—high performance V-8's—at the Pure Oil Performance Trials at Daytona Beach, Florida. (So who's surprised? Not Wildcat owners.)

called for a more uniform sign regulation for the northwest shore area. He pointed out that a very large percentage of existing on premise signs in the area are over the size permitted by the present ordinance which was written in 1936 and the ordinance should be brought up to date.

The now existing signs should be used as a basis for the change. Present ordinance permits commercial signs to be 50 sq. ft. and multiple dwelling signs to be 25 sq. ft. In a recent window count of signs around the Lake, Mr. Barber counted 8 or more motel signs that did not meet requirements and only 40 realtors were within the limit. Restaurants and service stations were also over the limits. Wendell Russell of Tahoe City is chairman of the sign regulation committee for the chamber. He will look into the situation and will submit his recommendations to Mr. Barber and the planning department in turn will submit them to the board of supervisors for an ordinance change. The chamber was requested to back up

the committee findings so there will be some conformity of signs in the North Lake Tahoe area. Anyone wishing further information on sign regulation can contact Wendell or call the chamber office.

Skeet and Peg Thompson and children Brad, Phil and Suzanne of Kings Beach were recent visitors to Disneyland, Marineland and Pacific Ocean Park.

A surprise house warming was given Bill and Lois Watson at their new home in Incline Village by Skeet and Peg Thompson of Kings Beach. Individual gifts as well as a clock and lamp were received by the Watsons.

Guests also brought a potluck supper which was enjoyed by Messrs. and Mesdames Ed Cooley, Bill McDonald, Red Waddell, J. C. Jordan, James Hume, Aaron Abbott, C. A. Sipes, John Rayburn, Dennis Adams, C. E. Mandeville, H. LeBorde, Dr. Walton Prescott and Beverly Newell.

BROWN IS BLAMED
IN TAHOE PARK ROW

The Capitol News Service reports that the good-natured banter between California and Nevada which arises from time to time over which state some of the area along the border belongs to, has been revised of late, concerning claims Nevada stole the name of Nevada City and Nevada County, California, when it became a state.

But a trace of the humor was lost last week.

Key members of the Nevada legislature said they thought a proposal for a two-state park at

been discussed. The North Shore won so they will be the defending champions.

Jim McCourry is chairman of the Calcutta assisted by Fred Schultz this year which will be held on Friday, March 13. Tentative plans are to hold this event at the Nevada Lodge.

Other events besides the weekend races, the main event is the two Cross Country races on a 15 mile course held Saturday and Sunday, will be the women's and junior race on a 5 mile course, eight pulling event and lead dog contest with a special spectator event—the sleeping bag race. Keep March 14 and 15 open for these exciting events.

Dennis Ludlow of Roseville was a North Shore visitor Sunday. Came up to ski and visit his many friends.

The March of Dimes campaign under the sponsorship of the VFW was Tuesday night with Pearl Martin of Kings Beach, chairman. Pearl and Vera Wood distributed the canisters the week before and will pick them up.

Those helping in the door-to-door March were Donna McKillian, Lorraine Domingues, Mae Springer, Audrey Welch, Pearl Draney, Joy Plunkett, Mae Murray, Ethel Antonson, Bea Snell, Gladys McClellan, Esther Horstman, Clela Liddle, Ruth Davis, Dianne Thompson, Ruby Clackett and responsible for handling the collection were Vera Wood and Bernita Jones.

NOTICE OF ELECTION

NOTICE IS HEREBY GIVEN that a general election will be held in the district of the Truckee Fire Protection District of Nevada County, California, on Tuesday, the 7th day of April, 1964, for the following officers:

JEWISH CEMETERIES
BEING REDEDICATED

The first rededication and re-consecration of a pioneer Jewish cemetery in the Mother Lode

Lake Tahoe was dead and one of them put the blame on Governor Brown.

Governor Brown has been highly critical of Nevada's gambling and ran into some rebukes several months ago when he blamed them for contributing to sewage problems at the lake. It was charged that the governor was giving the whole lake area bad publicity.

Now Senator Carl F. Dodge of Fallon, said the park situation is in trouble.

"Pat Brown isn't helping the situation any by criticising the gambling places at Lake Tahoe," he said.

country of California will be held at Placerville on Sunday, January 26, at 1 p. m., according to Hal Altman, chairman of the Commission to Preserve Pioneer Jewish Cemeteries and Landmarks, Magnes Memorial Museum.

Placerville was selected as the first burial ground to be taken under the protection of the commission officially, Altman explained, because it is located in the home city of James Marshall Chapter No. 49, E. Clampus Vitus, whose members have been of great assistance to the commission in the monumental task of research, acquisition and restoration being carried out as an example of the Jewish tradition of "Tzedaka," a word in Hebrew which means "Charity" or "Justice."

The Clampers will place the official marker on the cemetery in a secular ceremony on Saturday at 11 a. m. prior to the official parade. The public is welcome at both ceremonies.

ORDINANCE NO. 64-01

WHEREAS, Truckee Public Utility District (hereinafter called the "District") is a public utility district duly organized and existing under the Public Utility District Act (hereinafter called the "District Act"), Division 7 of the Public Utilities Code of the State of California, and the Constitution and laws of the State of California;

and WHEREAS, the District is duly authorized under the District Act to borrow money and incur a funded indebtedness (provided such funded indebtedness does not exceed 20% of the assessed valuation of all real and personal property situated within the District) for the purpose of acquiring, constructing, owning and operating certain public works, public utilities and public utility services, more specifically enumerated in the District Act, including a revenue producing electric system, for the purpose of supplying its inhabitants and other persons outside the boundaries of the District with electric energy; and

WHEREAS, the District is also duly authorized to do all things necessary or convenient to the full exercise of said power to borrow money and incur funded indebtedness including, without limitation, the execution and delivery of any contract in connection with the exercise of such power subject, however, to section 16077 of the District Act; and

WHEREAS, the District presently owns and operates an electric utility distribution system (hereinafter called the "Existing Electric System") consisting of electric transmission, distribution and service lines and related facilities situated in Nevada County, California; and

WHEREAS, the District presently desires to borrow the sum of \$367,000 from the United States of America, acting through the Administrator of the Rural Electrification Administration, to be payable over a period of 35 years at a rate of interest of two per centum per annum, in order to finance certain improvements, enlargements, extensions, betterments and additions of and to the Existing Electric System for the purpose of furnishing electric energy to approximately 181 additional consumers; and

WHEREAS, there has been presented to a special meeting of the board of directors held Monday, January 27, 1964, a loan contract dated as of October 28, 1963, executed on behalf of the Administrator of Rural Electrification Administration, which provides for a loan by United States of America to the District in the amount, for the term and the rate of interest hereinabove referred to, which loan will be evidenced by the eventual issuance of general obligation bonds of the District to be issued and sold to United States of America pursuant to a resolution to be adopted by the board of directors of the District; and

WHEREAS, the full faith and credit of the District supported by the District's taxing powers to the maximum extent provided for by law will be pledged to the payment of such general obligation bonds; and

WHEREAS, the board of directors of the District may, pursuant to section 16578 of the District Act, on behalf of the District, and without having obtained approval and authorization therefor by the electorate of the District, accept a loan from United States of America and issue general obligation bonds to evidence such loan; and

WHEREAS, the board of directors of the District have found and determined that it is necessary and convenient that the District borrow said sum of \$367,000 from the United States of America upon the terms and conditions specified in said loan contract dated as of October 28, 1963; and

WHEREAS, said loan contract has been read by the secretary of the District to said special meeting of the board of directors, held

January 27, 1964, and has been considered by the board section by section, and has been approved by counsel for the District;

NOW, THEREFORE, BE IT ENACTED BY THE BOARD OF DIRECTORS OF TRUCKEE PUBLIC UTILITY DISTRICT:

1. The president of the board of directors is hereby authorized and empowered to execute the loan contract dated as of October 28, 1963, by United States of America, acting through the Administrator of Rural Electrification Administration, and the secretary is directed to annex the corporate seal of said District to said contract.

2. The president of the board of directors and the other officers of the District are hereby authorized to perform all acts required to be done by the terms of such contract, and the board of directors is specifically authorized to adopt a resolution and take such further action as may be required in connection with the eventual issuance of the bonds which will evidence the loan provided for in said loan contract.

3. The secretary of the District is hereby authorized and directed to post and publish this ordinance in accordance with the requirements of the District Act.

4. An order shall be entered in the next meeting of the board of directors of the District after this ordinance has been duly posted and published.

SUIT IS FILED OVER ACCIDENTAL SHOT

AUBURN — The familiar but still tragic story of a gun in the hands of a boy was brought to mind again last week with the filing of a \$450,000 personal injury suit.

The action was filed on behalf of 14 year old Robert D. Meeks by his parents, Mr. and Mrs. Samuel E. Meeks of Tahoe City.

Named as defendants in the suit were young Peter Bradford and his parents, Mr. and Mrs. Robert A. Bradford. Five Does were also listed.

The Meeks claimed that last September 8 the Bradfords "negligently entrusted" a 30-30 rifle to their son. Somehow or other, the weapon discharged while young Bradford was carrying it on North Bunker Drive in Tahoe City.

The suit said the high velocity bullet entered the right eye of the Meeks boy, who suffered the loss of the eye and "permanent brain damage."

Lawyer Harold C. Nachtrieb of San Francisco filed the action on behalf of the Meeks family.

YVONNE RING TO BE CANDIDATE FOR POST

Yvonne M. Ring, a resident of Auburn for the past 18 years with the exception of the one year she lived at Truckee, has announced she plans to file as candidate for Auburn city clerk.

Mrs. Ring, daughter of Richard Joseph of Gateway Park, was formerly employed in the appraisal department of Bank of America for eight years, was secretary at DeWitt Hospital for two years and served with the county welfare department. She held a security office with the Business and Professional Women's Club.

SKI MEET SCHEDULED FOR ALPINE COURSE

ALPINE MEADOWS—The snow depth at Alpine Meadows now measures 158 inches on Ward Peak and 136 inches at the lodge. The minor storm damage has been repaired and all lift facilities are operating daily.

The Far West Ski Association Northern Council giant slalom for Classes A, B and C will be run at Alpine Sunday, February 2 starting at 11 a. m. Entries will be accepted until 6 p. m. Saturday at the sports desk.

Plans Progressing For Lake Dog Race

KINGS BEACH — Preparations for the third annual Tahoe Sierra Dog Derby, to be held at Kings Beach on March 14 and 15 are going forward as the Greater North Lake Tahoe Chamber of Commerce and Convention Bureau, sponsoring the affair lines up contestants and prepares a program of events.

There will be entries from Idaho, Oregon, Washington, Colorado, Nevada and California as well as at least three local entries. The latter three are Gary Gunkel of Tahoe Vista who has returned from Alaska with his team of red setters; Chuck Emrich of Incline Village who will be the race marshal as well as contestant, and Stan Rasmussen who has been in Germany with the army, but who is expected to enter a fast team.

Lloyd Van Sickle of Truckee, champion musher for many years, may have his team in shape for the races, although he has been having some difficulties. Bill English of Tahoe City may also enter a team.

Many events, topped by the two cross country races on a 15-mile course Saturday and Sunday, are scheduled. They will include the women's and junior races on a five-mile course, weight pulling and a lead dog contest. A special spectator event will be the sleeping bag race and the snow ball fight between the North Shore Elks and South Shore Elks.

Prize money and beautiful trophies will be presented Sunday after the races. Ernest Harrigfeld of Ashton, Idaho, for the past two years has been the winner and if he repeats this year he will take home the perpetual trophy. In event he does not win, he must relinquish the trophy to the victor. Trophies will be awarded through third place and cash awards through tenth place.

The chamber has chartered three Greyhound buses coming for the derby and more are expected before the races are held.

Bethel Van Tassel is in charge of the programs.

SEEKS LICENSE

SACRAMENTO — (CNS) — The contractors' state license board announced it plans to issue a general building contractor's license to Richard C. Mandeville, P. O. Box 45, Incline Village, Nevada, if no protests are received by February 3.

BOATS NEED NOT BE REGISTERED IN 1964

SACRAMENTO — Californians, who are now absorbed in re-registration of their automobiles, will not have to renew boat registrations in either 1964 or 1965 declared Lachlan M. Richards, chief, division of small craft harbors, provided their boats were properly registered in 1963. Under the California boat registration law, registration is good for a period of three years and does not follow the one-year pattern for automobiles.

Boaters are reminded, however, that failure to have a boat properly registered may result in fines up to \$50. Richards cautioned, pointing out that 29 such violations were reported by local courts in December 1963. He again stressed the requirement that every boat moored on the waters of the state must be numbered and have a blue renewal sticker affixed.

KORNSTIEN RESIGNS POST FOR PLACER

TAHOE CITY—James R. Kornstien, Tahoe City businessman, last week announced his resignation from the Placer County Civil Service Commission. Kornstien was one of the developers of Placer County's first civil service ordinance.

Supervisor William Briner said Kornstien has agreed to serve until an adequate replacement can be made.

FATHER EXPIRES

Funeral services will be held Friday in Reno for William D. Wilbur, 78, father of Byron Wilbur of Crystal Bay, who expired at a Reno hospital Monday. Wilbur was a retired contractor and builder and had lived in Reno 36 years.

ACCIDENTS

(Continued from Page 1)

to Tahoe Forest Hospital at 3 a. m. Sunday after his car was struck as he attempted a turn into William Kent Campground on Route 89. Orr had signalled for a turn when his car was hit by one driven by George H. Cannell, Jr., 19, of San Jose who was cited for speeding.

Pedestrian Hit

Cora Ann Mitchell, 27, Tahoe City, was taken to the hospital with minor injuries Sunday after she was struck by a car operated by William M. Cameron, 25, Crystal Bay as she stood back of another vehicle in Squaw Valley. Cameron was cited for unsafe backing.

Car Overturns

Hersey L. Wright, 26, San Jose was cited for speeding after his car skidded and overturned a mile west of Floriston at 8 p. m. Saturday. He was not seriously injured.

Big Shot Mishap

No one was injured Tuesday at 2 p. m. when a motor grader operated by David Tobiasen, 35, Nevada City, slid into a truck operated by James D. Watson, 53, Twin Falls, Idaho at Big Shot on Donner grade.

Three Car Collision

A snow plow operated by Edward C. Lewis, 40, Tahoe City and cars driven by Royce D. Talley, 20, Tahoe City and Allen Dee Lee Stewart, 23, Marysville, were involved in a collision a mile and a half east of Carnelian Bay Tuesday at 8 p. m. None was injured.

Donner Crash

Cars driven by Lance F. Pruett, 25, San Jose and Virgil E. Rouse, 21, Reno, collided a quarter mile west of Donner Lake gate Friday when Pruett slowed to make a turn and Rouse attempted to pass at the same time. Pruett was cited.

JOHNSON ANNOUNCES

(Continued from Page 1)

where he was a railroad employee for nearly 30 years, Congressman Johnson first entered public service more than 20 years ago when he became a member of the Roseville School District Board of Trustees. Subsequently he was elected a member of the Roseville City Council and for seven years served as the Mayor of Roseville.

Congressman Johnson represented Placer, Sierra and Nevada Counties in the California State Senate for 10 years prior to his 1958 election to the congress. While in the state senate, he was influential in developing broad programs in education, highway development and wise utilization of natural resources.

He and Mrs. Johnson, who live at 423 Grove Street, Roseville, have two children, a daughter, Lorraine, a teacher in an elementary school in Roseville and a son Robert, a student at Sacramento State College.

"To serve in the congress of this great nation is a privilege and an honor," Congressman Johnson concluded his announcement, "I want to ask the people of the Second District for their continued support in the primary and general elections this year."

The fall-out shelter capacity of the State Department of Employment Building in Sacramento is 17,485.

NEW EQUIPMENT AT SUGAR BOWL TRIED

SUGAR BOWL — The new mechanical snow packing equipment at the Sugar Bowl has proven its value during the recent heavy storm.

Brad Board who is in charge of the equipment, was up every night packing the slopes and making them skiable. The equipment had a four-day workout and met the challenge face on. The idea of packing after and during each storm is something new at Sugar Bowl and is proving to be just
